WC Docket No. 05-196

**RNK, Inc. d/b/a RNK Telecom
Certificate of CPNI Usage Compliance**

Statement of RNK Compliance Procedures

1. **RNK Use of CPNI:** RNK's operating procedures ensure that RNK is in compliance with the Commission's CPNI Rules. Except as required or permitted by law or Subpart U of Title 47 of the Code of Federal Regulations; 47 CFR 64.2001, et seq., RNK does not use CPNI.

RNK has internal policies and procedures in place to educate employees as to the confidential nature of CPNI and when disclosure of CPNI is appropriate (e.g., provisioning of service). RNK's Employee Manual includes express policies detailing RNK's use of CPNI and identifying its proprietary nature. RNK does not sell CPNI to third parties and only releases CPNI to law enforcement pursuant to a lawfully executed instrument or authorization.

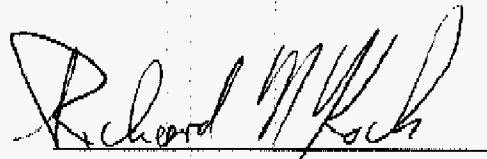

2. **Opt-in/Opt-out Procedures:** Presently, RNK does not utilize CPNI, for sales or marketing purposes, that would require the use of opt-in or opt-out procedures as described in the CPNI Rules.
3. **RNK Internal Policy and Disciplinary Policy:** RNK has adopted a policy requiring employees to comply with the CPNI Rules. RNK's policy provides that failure of employees to comply with the Rules and RNK's internal policies is subject to severe disciplinary procedure, up to and including immediate termination depending on the nature of the offense and whether or not the noncompliance was intentional.
